

Girls Inc. of Lynn Seeking Volunteer Mentors!

**Mentor a young woman
applying to college!**

**Tuesday Evenings from 6:00-7:30
Running from September-May**

The College Mentoring program offers seniors in high school the opportunity to work with a volunteer mentor to guide them through the college application process, scholarship submissions, college preparation and life skills.

Mentors will receive training, materials and resources to help their mentees through the college application process. We have 20 rising seniors and our goal is to be able to have a 1:1 ratio of girls to mentors!

Mentees and Mentors of the Program have expressed the positive impact this one-on-one attention has had on the girls' lives and on their motivation and success through the college application process.

A rewarding way to give back!

Mentors are asked to commit to attending Tuesday evening meetings at Girls Inc. of Lynn from 6-7:30pm from September to May. Dinner is provided.
